

Reverend Deborah Hopkinson

It is with great sadness that I have to tell you that Rev Debbie has died from a rare and debilitating disease. Cushing's Disease/Syndrome. She is survived by husband Andy and their three young children. No funeral details have been announced as yet.

Rev Debbie was our resident Minister up to August 2016, when she moved to pastures new.

We have started a card to be signed by all who knew her and this will be in circulation until Sunday 7th October when it will be forwarded to Andy and the girls. There is also a collection being made with proceeds going to the Cushing's Disease foundation who are doing research into this rare and dreadful disease.

Gareth has the card and it will be at Parkwood for any meetings/functions we have there.

Donations can be made by contact with Gareth or Anne and please make cheques payable to Parkwood Methodist Church where ALL will be passed en bloc to the Cushing's Foundation.

I will forward more details of the funeral when they become available should anyone wish to pay their respects.

[Cheques can be sent by post to Joe Lloyd 3 Leafield Avenue, Longwood, Huddersfield HD3 4TW. I will then pass to our Treasurer Mrs Anne Ivey.](#)
